NEWS 1:

The sale of vapers and cachimbas has been forbidden by The Spanish government. .. A lot of people have protested saying vapers are really helpful to smokers. (HEADLINE)

The president of Spain has appeared at a press conference to speak about the situation of vapers. He said they will continue on this situation because vapers are really addictive and not helpful at all. He also said that cachimba are really bad for our body and the market has become dangerous. Vapers and cachimbas are new products for smoking and they have become very popular recently.

We asked a famous eumologist called Carlos Martinez about how true it is, and we found out the president lied

- Hello, how true is it that vapers are really addictive?
- Actually, it can be addictive but the percentages are very low. Vapers is 95% low than nicotine and cigarettes
- And is it true that cachimbas are bad for our body?
- Yes, it's very bad for our body but they are less addictive than cigarettes.
- What do you recommend to quit smoking?
- I would recommend a vaper because they can quite the habit of smoking very easy
- What's your opinion of the president banning vapers and cachimbas?

- I think it should be restricted but not banned, because in the end it has very positive options but also bad ones.
- Last question, tell me a tip for quitting smoking fast?
- Drink a lot of water. This will hydrate you more and be more healthy, and less addicted to nicotine.

Now we are going to interview Javier Gutierrez, aka "El Navajas"

- Do you smoke?
- Yeaaaah, bro. A lot.
- What do you think about the president of Spain wanting to ban the sale of vapers and cachimba?
He's crazy. The vapers are the best thing in my life.
- DO you know the vapers affect your lungs?
- What are you saying, tío. The vapers isn't tobacco and anything like that
What happens is the president wants to ruin the party and happiness of the people.
- Well, thank you Javier for coming and answering our questions. And this is the opinion of the younger people in Spain

Yeremi predicts the results of the Spanish elections in the pub

Yeremi predicts the results of the Spanish elections in the pub. Now we are going to El Prat Airport, commenting on the elections and waiting for Yeremi to come in for a short interview. Yeremi predictions have gone viral in the social media. He became famous after being asked the predictions of the newest Spanish elections and guessing correctly. Most of the population is impressed by Yeremi's incredible and awesome predictions. People treat him like a visionary and say he's the new prophet because most of his predictions have come true.

Now we are going to do a interview with yeremi aka the spanish visionary

- Hey, Yeremi. How are you doing?
- Nice, very nice. Im grateful for all the love I am receiving in the last hours and all the fans that love me
- That's great! Do you want to tell us the great secret of your predictions?
- No, there's no secret. I'm a huge data analyzer, I can analyze everything. Also, I realize most of my predictions at the pub, because the alcohol helps me to focus.
- Wow! That's amazing! There are rumors that say you are cheating and using magic powers to acknowledge your predictions, what would you say to them?

- With all my respect, I don't know what to say to them. Just stop being delusional and accept that maths really helps you in making a prediction.
- Also, how did you know the results of elections in the middle of the pub exactly the way you predict it?
- Because I was working on this prediction a lot of time, and, as I said, the alcohol helps me to focus and realize my predictions.
- Thank you
- Xonako Nius, Xonako TV.

THE PRICE OF LITRONE GOES UP IN THE STOCK MARKET

Breaking News! The price of litrone has gone up in the stock market because of the hyperinflation and the economic crisis the country is suffering right now. That is also because of the huge absence of oats, a consequence of the war in Ukraine versus Russia. The people are very angry with the high prices, so they accuse the Spanish government, which blames the Kremlin for the high prices, saying also they deserve the sanctions because they invaded a European country.

-What do you think that the litrone has gone up ?

-I think that this is a shame, the government did this on purpose

.

-But you don't think that is more important than different food than the litrone?

- Yeah, but you know that beer is part of our lives

- Do you propose any solution to this problem?

- Yeah, they should stop the sanctions and construction of hospitals because they suck a lot of money.

-Are you crazy?

- No, bro. This is life, you know.
- Thank you for viewing and listening to this programme

Free Graffiti lessons

Anna Calleja Parés, Mar Gallego Bugarin

Thursday, May 25, 2023

LA MARIOLA - Children are learning a new way of expressing their art. Last Saturday Isaak, the tagger, started teaching children how to paint the walls of the street. La Vane is in the main street taking photos and videos, now we are going to talk with her.

Hi Cariii, there are a lot of people here, all the parents are supporting their children by singing songs and cheering them up. One of the little artist is going to tell us about her work of art.

-Hello Yony what represents this painting for you?

- Esto es pa el amol de mi vida, La Zaida. I painted this because nos vamos a casal. She represented mi todo, mi diosa, mi reina. Zaidaa I love you!!!!

-Wooooow! Beautiful words, being a tagger helps you to expressing your emotions. There we can see the teacher, we are going to try to interview him. Xoxoooo, xoxoooo esperamee.

-What do you want priima???

-What do you think about the first day of classes?

- Ha sido la polla hermano! This children have a lot of talent. Es tremendo how these children express their love to a person. Bro I want to have all my life this profession.

- Thank you very much, we hope that god helps you.

MORAD HIT BY HIS FANS

Morad hit by his fans in San Diego.

Anna Calleja, Mar Gallego

Thursday May 18, 2023

SAN DIEGO- Last Saturday there should have been a Morad concert in Madrid, more specifically in the WiZin center. At the last moment the singer went up the stage and announced that tragically the concert was cancelled, because of a cold. Our reporter Paola Wheel is now in the doors of the ticked windows, hi Paola what can you tell us about this insane news?

Well, People went crazy when they heard the news. A group of teenagers from San Diego started insulting him and threw cans of drinks at the singer. Security guards tried to stop them but one of them managed to reach Morad and hit him.

-Here I am with El Kevin, one of the people of the group who tries to hit Morad. What is the principal issue that made you lose control?

-“I drove for 5 hours to arrive on time to the concert of this arse-licker and I lost one of my holiday days. It’s a shame that a singer like him cancels the concert only five minutes before it starts. The worst thing is that this mother fuckers are not going to return us all the money”

-This is the complain of El Kevin, who is so angry with the situation.

The new outfits of Bad Secret Rabbit sold out in all the shopping centers of Santako

Anna Calleja, Mar Gallego

Thu May 18, 2023

Santako- A new trend of clothes has been shown by the “*conejitas*”, who caught all the attention from the people that were shopping in the principal shopping center of Santako. La Lore is going to tell us about the situation there right now.

People were eager to see the incredible collection for summer and stayed there for an hour just because at the end the designers threw cheetah tops and the pompoms of the “*conejitas*” ass.

-Here I am with the director of siksilk, who is going to tell us his experience. What's your opinion about the show?

-“Neeeenaa, the show was fascinating, it was better than I thought. I can't wait to buy the new sexi cheetah leggings, they are so fashionable and I think that they are so comfortable. Me tuvo loca the spectacular final, I was not expecting to return home with a pompom and a new sequin top”.

-Thank you to share with us your experience.

-De nada xoxo.

BAD GYAL AND LA XINI FILMED FIGHTING

Paula Rueda, Alba Mallol

Thu May 18, 2023

Santako- The fight that involved Bad Gyal and la Xini happened last Saturday in our village, near the industrial state (el polígono, vamos).

The reason for the fight is that Xini plagiarized a part of a song that Bad Gyal had sent her asking for her opinion. At the time she received the chorus, she went to record her new song

“Chica mala”. When Bad Gyal realized that it was exactly the tune she had sent her, she went to the press to report it.

We are here with the famous artist Bad Gyal, who is absolutely furious and has something to explain.

-Well, can you explain your situation with this new song “Chica Mala”?

- I thought she was my fucking friend, I believed in that bitch when no one else did. I’ve got evidence and I will show them to the world.

-We have a surprise for you. Que entre la Xini+

- I don’t want to talk with that warra

- Me estas diciendo puta,puta a mi, sin ser nada de eso yo! (canço)

- I only hear lies from your nasty mouth

- That 's not true, esque eres mas falsa que un billete de treinta.

- ¿Falsa me?

(pelea)

-Grábalo todo!!!

NEWS 9:

ROSALÍA AND PIQUÉ CAUGHT DATING.

Paula Rueda, Alba Mallol

Thu May 18, 2023

Andorra- Last 10th of May Rosalía and Piqué were caught in a romantic and sexual dinner at a restaurant in Andorra.

Rumors say that Rosalia had been discussing with Rauw during the Motomami tour. While this was happening Pique took advantage of this and offered a date to her. She was, as her song says, *despecha* and accepted his invitation in the blink of an eye.

“Se enamoró, se se enamoró.

Rossi y Pique los dos

Juntos.

Se enamoró,

se se enamoró”, says Shakira 's new song. Here we can see the exasperation of the artist.

Also, this is a confirmation of Pique and Rossalia's new relationship. Time will tell how this progresses.

ZARAGOZA WINS COPA DEL REY VS REAL MADRID

Real Zaragoza wins the final of Copa del Rey vs Real Madrid in a very tied match.

The final was played in Sevilla in the Cartuja stadium at 21:00. The environment was magic and both teams supporters were cheering a lot and singing songs to motivate the players.

The match started with Real Madrid scoring an early goal, Vinicius provoked the Zaragoza supporters by telling them to shut up. The Real Zaragoza's players started pushing Vinicius and telling him to show some respect to Real zaragoza's supporters. In the minute 47, Courtois and Militao couldn't do anything against the magnificent pass from Bebé that Victor Mollejo put into the net with the head. Victor Mollejo celebrated the goal in Viniciu's face pointing at the Zaragoza's badge, and Vinicius pushed him and a fight started. Finally Vinicius was shown a red card.

Zaragoza with one more player started dominating the match and in the final minute Bermejo scored a free-kick goal that gave Real Zaragoza the seventh Copa del Rey in history.

-Interview Pau Odina

-How did you see the game?

-What do you think of Vinicius?

-How do you face the promotion playoff being the current champion of the Copa del Rey?

NEWS 11:

LEBRON JAMES SIGNS 1 YEAR CONTRACT WITH FC BARCELONA BASKETBALL SECCION

Lebron James signs a millionaire contract with Fc Barcelona basketball section, for 1 year he will defend the blaugrana colors.

The American player wanted a change in his career, after succeeding in the NBA the player wanted to try in the Euroleague because as he says it's the most competitive league in the world.

The player contacted the catalan club, the sport director thought that it was fake. The player put in all the facilities to sign the contract for one million dollars. When Lebron arrived in Barcelona he visited the Palau Blaugrana and his museum, Lebron James, he was amazed by the history of the club and the city. One of the reasons why he chose Spain was that he loves the culture of Spain and his gastronomy. Lebron James invited all the players and the staff to get to know each other. Lebron James and his family are very happy with the change.

Interview with Lebron James:

-Which are your objectives this season?

My objective is to win the Euroleague and help the team with everything I can.

-Why did you change the NBA, apparently the best league in the world?

I don't agree with you about your opinion of the NBA, for me the best competitive league in the world is the Euroleague.

-How do you see the team?

I didn't train with the team yet but I followed the team from the USA and I think that we can compete to win all the titles.

NEWS 12:

Incoming tormentas and torrential rains in calatonia

Myke Palos and Juan López

Thu may 18/2023

Calatonia- After a week of sunny conditions and good temperatures, a gran tormentation called Manué has been approaching our country.

A cold front is getting closer to our region in the suroeste, which means we should expect some huge changes in the weather for the incoming days. The storm is coming from the pirineo', where it's now at its critical point. This southwest weather no se esperaba last week, when all the predictions indicated sunny days with alto calo' and high probability of drought. In the north, the meteorology se espera to be good, with temperatures entre 20 and 25 degrees after this quick cold front pasa por aquí.

After knowing this information, our mate El Pakillo is going to give his opinion de la meteorology for this proxima week:

-How tu te encuentras brothel, what you opin of the weather que hemos tenido this week?

-Hermano, very good tiempo, very sunny all the time, la waterpoolita del Juan is very fresh my friend.

-And for the next week, how do you see the tiempo, my hermano?

-Sí brother, I've seen que is coming a big storm, and I'm very asusted. I don't want que my car se moje, i como haya una hailstorm I am going to be very enfadado.
